

**REMARKS:**

Claims 2, 3 and 7-20 are in the case and presented for consideration.

Applicants are also submitting simultaneously herewith an Information Disclosure Statement, PTO-1449 and references. The Commissioner is also authorized to charge our credit card the amount of \$180, the fee due under 37 C.F.R. 1.17.

The Commissioner is authorized to charge any underpayments or overpayments to our Deposit Account No. 14-1431 which may be due under 37 C.F.R. 1.16 or 1.17.

The application has been amended to add labels to the drawings and to add headings to the specification as required by the Examiner. The claims have been reviewed thoroughly and each of the Examiner's objections to the form of the claims and under 35 U.S.C. 112, second paragraph have been addressed so that the application and claims are now believed to be in condition for allowance.

The Applicants also thank the Examiner for the indication of allowability for claims 2, 15 and 18-20 if amended to overcome the Examiner's formal objections. By this amendment, claims 2, 15 and 18-20 are, therefore, now believed to be in condition for allowance, as well as the remaining claims that have all been amended to depend from one of there allowable claims.

Claim 2 includes the subject matter of its canceled independent claim 1, claim 15 includes the subject matter of its canceled independent claim 5, and claim 18 includes the subject matter of its independent claim 5.

Accordingly, the application and claims are believed to be in condition for allowance, and further favorable action is respectfully requested.

No new matter has been added.

If any issues remain, the Examiner is respectfully invited to contact the undersigned at the number below, to advance the application to allowance.

Respectfully submitted,

/PETER C MICHALOS/
